

August 29 – Peaceful Pines Resort, Eagle River WI

The day starting out sunny and in the 70s. My walk was quiet but I did see about 8 deer.

In the afternoon, we took the girls back to the School Forest so they could do a little off-leash running and sniffing. Then we all headed to downtown Eagle River and did a little shopping.

After that we headed back to the RV for some downtime. We ended the day having dinner at [Sweetwater's Bar & Resort](#), just a couple of miles from the campground. Nice view, but the food was just OK – typical Eagle River bar food.
