

## September 16 – Lyman, ME

We arrived at our Harvest Host, [Funky Bow Beer Company](#) in Maine after a couple hour drive. Just beautiful! We are about 30 minutes out from our destination to in Maine. We took a little walk on the hiking trail/disc golf course, next to us before we headed up the Funky Bow. There were many dogs, totally off leash and all the dogs were well behaved. I had a brussels sprout pizza and it was delicious. Life is really good!
